IN LOVING MEMORY
CHARLES "CHUCKIE" ENGSTROM
CE III

November 29, 1988 - December 18, 2005

God looked around his Garden
and found an empty place.
He then looked down upon
his earth and saw
your beautiful face.
He put his arms around you and
lifted you to rest.
His Garden must be beautiful, he
always takes the best.
He saw you had hard times, so
he closed your
eyes and whispered
Rest in Peace
and gave you wings to fly.
You've left us precious memories,
your enthusiasm will be our guide,
You live on through our hearts,
you'll always be on our mind.
It broke our hearts to lose you,
but it makes us stronger,
because a part of you stayed
with us.

Most Memorable Moments

The most exciting memorable moment for Senior Justin Albright was the foam party after Homecoming.

Junior Patrick Burleys most memorable moment was when he scored at Lake Station.

The highlight of Senior Joe Peterson's senior year was the hard fought victory over Lake Station 50-49.

The Homecoming victory over Bishop Noll was the most memorable moment for first year Coach Stoming.

Brick By Brick

The 2005 Warrior team was one of the best of all time. Our Warrior team was always focused and ready to hustle on the field. Although we had a struggle in the beginning with tough competition, our Warriors showed their pride and pushed till the end. Along with the hard work of our players, first year Coach Stoming played a major role in our victories. The Warriors definitely shocked us with their unbelievable Homecoming victory against Bishop Noll 39-7. We are so proud of our boys and to be part of the Calumet fan club, because this year they really showed their effort with a total of four wins. We hope next year is as successful as this year and we wish you guys all the good luck you could possibly have.

Unlike most team sports, a win in tennis is the result of individual performances. As for the Warrior Netters, the outstanding performances by the singles and doubles players led to the team's great overall success.

The Season:

The Warrior Netters began their amazing season 8-0. They continued their success by winning the LAC Blue for the third straight year. They ended the season with twelve wins and only four losses. This young Warrior team only had two seniors.

Warrior Cross Country

This year the Cross Country team was fearless in their efforts to improve. The boys accomplished their goal. They placed in sectionals at the Gavit course and advanced to regionals. They all trained really hard the previous summer, which showed

when the season began.

The boys had a great year. Eddie Rico was an outstanding performer this year. For only the fourth time in CHS history, a runner finished first at sectionals. This year it was Eddie Rico who also qualified for state.

Throughout the golf season the girls struggled to field a complete team. To be competitive, a team must have four players. The girls began the season with three players- all sophomores. After the first two weeks, two freshmen joined. This allowed the girls to field a full team!

However, this jubilation ended quickly as one member was injured and another member was released. This did not break the spirit of the remaining girls, as they worked hard the remainder of the season. Next year's team looks to improve as two sophomores and a freshman return.

Making It Different

The Varsity Girls volleyball team worked hard during their season to make this year different than the last. They succeeded in many of their goals, and although they were given some tough breaks, younger athletes stepped up and they finished strong. They won the Blue Division Championship, but went through an upset in the sectional. Senior Captain Brianne Cercone was awarded Honorable Mention All-Area, and First Team All-Conference. Senior

Captain Theresa Hunter Received First Team All-Conference, along with her twin sister Mary Hunter. Megan Bennett was awarded All-Conference Honorable Mention. The girls had the privilege to compete under a young coach, Dana Jeffries. Coach Jeffries had some big shoes to fill, but was able to give a fresh outlook on the game, to mix with the never say die strategies left behind by last year's brilliant coach, Sue Gabbert.

The CHS boys' Varsity basketball team had a rough beginning, as their record showed a 1-17 start, three of those games being overtime losses. Each game was a learning experience as the boys learned to play together and overcome differences. Things began to look up as they headed into the sectional with Griffith, their first round opponent. The boys earned half their wins of the season in the sectional and made it to the championship game before falling short of Clark by five points in an awesome overtime game. The boys had much to be proud of this season and should come out strong next year with ten returning players. As long as they continue to show guts and numbers as they did during sectionals, they will have an outstanding season next year. Outstanding efforts were awarded by Coach Ridenour in individual awards. Leading scorer for the boys was Errol Sherrod with 40 mg. He was awarded the Most Goal Percentage Award (52%). The Warrior in the Play Award went to Leon Lewis for averaging 7 rebounds per game, along with Dyami Thurman, was recognized for having the most assists on the team. The Best Defensive Player Award was given to Britton Johnson. Senior Ryan Parks was given the

Seahawk Swimming

Improving One Stroke At A Time

The Seahawks faced a very difficult season due to only having four returning varsity swimmers. The rest of the team was very young and inexperienced, but they steadily improved throughout the season. The ladies may not have gone to state or even won many meets, but they never gave up. They swam hard every meet and took many first places as individuals. The only thing stopping the Seahawks was low numbers. The ladies easily defeated teams of the same size and could compete with but not defeat larger teams. The Seahawks might have had a small, inexperienced team but they had big heart.

Captain Nakia Finley had an overall tough season. She managed to bounce back and pull through for her team.

Captain Theresa Hunter is glad that they accomplished goals they had set for the team.

Junior Kyla Graig (Kujo) is taking the place of one of the captains. She has big shoes to fill. Good luck Kujo!

The Calumet Lady Warriors had an all right season. Their record was 5 wins and 16 losses. Even though they had a rough season they still pulled through to finish with a wonderful year. WRESTLING SEASON HIGHLIGHTS

The Warrior wrestling recorded a stellar 19-4 dual meet season and finished 8-2 in the LAC. They went 5-0 to claim the team title at the Lake Station Super Dual, they placed seventh at Lake Central's Harvest Classic; were 3-2 at their own Chris Traicoff Memorial Invitational, to earn thirteenth place in the "Brawl behind the Wall." At Caston's Super Dual, the CHS grapplers battled to an 8-1 record to place second. Seven Warriors claimed titles going unbeaten in their weights, the tribe also competed at the always tough Mishawaka Invitational over Christmas break and finished 22 of 32 teams. In January, CHS hosted the fifth Annual Lake County Tournament and placed third as a team with five medalists and two County Champions. CHS finished fifth at the LAC meet and third at Sectionals, advancing eight wrestlers to the Regionals and six to Semistate. Manuel Acevedo and Brandon DelPrado both won their first Regional Championship with dramatic last second victories and advanced to Semistate. Manuel, the squad's only senior was selected by the team to receive the Most Valuable Wrestler Award at the post-season Awards' Banquet.

CHARLES ENGSTROM III (1988-2005)

The 2005-06 CHS Wrestling team battled through much adversity this season, but nothing proved more difficult to survive than the untimely death of a teammate and friend. Chuck was 18-1 with 12 pins and Champion of the Caston Super Dual.

Junior Brandon DelPrado runs a spiral against his Whiting foe in an attempt to turn him at Regionals. Brandon was 39-9 with 15 pins.

Our Questions That Have Been Answered

Our high points were at the beginning of the season, when we won the Lake Station invite. The low point was when we lost our best friend Chuckie. Senior Manuel Acevedo

Wrestling is a sport that you do for yourself, team, and school. It's not about hype or media attention. I wrestle because of the pride I feel when my hand is raised at the end of the match, knowing that I worked hard.

Junior: Mike Rayson

I wrestle because I know we work harder than any other sport. We do not give up because people do not come to our matches. We just wrestle harder to make them miss a good match. We win for ourselves not for the media or attention.

Junior: Brandon Delprado

Wrestling is different because I have to go out on the mat by myself determined to win my match for the team. You have to win to collect points to win the match.

Junior: Mike Welch

Senior Manuel Acevedo burying a half nelson en route to pinning a Griffith rival at Sectionals. Manuel finished 37-9 with 16 pins and was selected MVP by his teammates.

Junior Joey Frey scored pivotal nearfall points here against his Merrillville foe to earn his first Sectional Championship. Joey was 39-8 with 16 pins.

A STELLAR YEAR

The boys' golf team had set their motto as "Repeat." This was in reference to their 2005 LAC Blue Conference Championship and their desire to repeat as champions this year. Unfortunately they fell one match shy of that goal.

The season may have that one blemish but the boys have much more to be proud of. They ended the season with a 12-4 record overall and 6-1 in the LAC Blue. This is a team that two years before ended their season with a 6-9 record.

A big highlight of the season was Josh Schumacher advancing to regionals. This was the first time in over twenty years for a golfer to advance from sectionals.

Also highlighting the season was Josh Schumacher, Drew Parkes, and Laron Bryant being named the first team LAC All-Conference Team and Ryan Parkes being named to LAC Blue Second Team All-Conference Team.

Congratulations boys- You've left quite a benchmark for other teams to reach and overstep.

**Putting it together
through sports**

The softball team consists of positive and inspirational young ladies who are willing to work hard to achieve their goals. They've come a long way together and have never given up on each other. Pulling and sticking together to make something positive happen takes dedication and hard work. Our ladies of the softball team possess all the qualities needed to be successful athletes. Nothing about the team shows negativity.

What is Your Lucky Charm?

"I read the articles from when my sister was in the paper and I listen to a mix cd."

"I indulge in McDonald's: Two cheese burgers and a medium fry!"

"I have a rubbing stone that I rub and carry in my pocket when I'm nervous or scared."

"I don't wash my uniform for the entire season. It's gross but it brings good luck."

It's Time to Play Ball!!

Left: Sophomore Amanda Cole has been on fire since the season began! Her pitching has improved game by game and she continually amazes the audience and her fellow classmates. She's a positive role model for those who want to follow in her footsteps in becoming a pitcher. Every team needs determined and hardworking players and Amanda Cole is definitely one of those players.

Staying on track

The Warrior Boys' Track Team had an outstanding year. The boys' 4x100M relay team, consisting of Errol Sherrod, George Ezell, Fred Abraham III, and Darcell Ballentine, made it to state by winning their regional. Errol Sherrod also made it out of the regional individually in the 100 meter dash. Eddie Rico won the Sectional in the two mile. Coach Zimmer commented, "These are a dynamic group of young athletes."

During the Lake Athletic Conference meet many of our runners or field event specialists finished respectably. Earning honors at the meet were Sherrod third in the 100M dash, Ezell sixth in the 200M dash, Eddie Rico fourth in the 3200M run, Ballentine seventh in the long jump, Patrick Goethe second in the shot put, along with members of the 3200M relay team (Rico, Juan Flores, Craig Jordan, and Dustin Denisiuk) who finished sixth, the 1600M relay team (Flores, Abraham, Sherrod and Ezell), and the 400M relay team (Ballentine, Ezell, Abraham, and Sherrod) who finished first. The 4x100 teammates also earned First Team All-Conference honors.

The girls' track team didn't have many young ladies out this year; however, they persevered and made the best of the numbers that they had. Sophomore Dominique Jackson was the only girl to advance to the regional by winning the sectional discus competition.

Jessica Malenki cheered all four years of high school. She was part of the varsity squad three years and captain for two years.

Stephanie Castellano started cheering her junior year during basketball season. She came back her senior year and earned a captain's spot.

Ashley Purnell cheered her freshman year but due to an injury couldn't finish the season. Coming back her senior year, she earned a spot on varsity.

POMS ARE A GIRLS BEST FRIEND

The Calumet High School cheerleaders show dedication to their school, their athletes, and their community. They lift the spirits of the audience and the team. This year the cheerleaders tried to get involved in as many sports as possible by displaying signs through out the school and making candy bags. Being a cheerleader is not easy. Many people believe that it is all just fun and games. But the truth is that they put in as much dedication, sacrifice, and time as any other athlete. The cheerleaders show off the true meaning of "PRIDE, PEP, and SPIRIT"!!!!

Move To The Groove

The Warriorettes had a ground breaking season this year. This year was the first year that they participated in the winter season. They also went to Chicago to dance in the Thanksgiving Parade. They were shown in the television broadcast of the Thanksgiving Day Parade. Through and through this year produced a very innovative season.

On October 7, 2005 Calumet had their Homecoming game against the Bishop Noll Warriors winning 39-7. The whole week was spirit week full of different kinds of activities which were:

Monday- Crazy Day
Tuesday- Stylin' and Profilin' Day
Wednesday- Cross Dress Day
Thursday- Theme Day
Friday- Spirit Day

Let's Go Warriors!

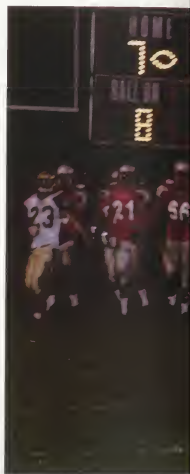

Nothing can stop the Warriors!

Throughout the week of activities, many students participated in these events. This week was most of all very fun and exciting. People say that the win brought everyone closer because we all participated in these events. Overall everyone had a very good time. Thank you to whomever participated in the weekly activities. Everyone had wonderful performances and great enthusiasm.

Senior: Brittany Lambert stated that she enjoys working for the Blood Drive because it benefits many people across the U.S.

Senior: Jessica Malenki has worked for the Blood Drive all four years of her high school career and said she has enjoyed every bit of it.

Drop By Drop

This year the Blood Drive was a total success. Many people of all grades and all ages stepped up to help save someone's life. That wasn't all, Lake Ridge 's school district and community also made a choice to give blood. This year Calumet has shown it's drive by the unity of the community that was brought together for the Blood Drive. Calumet had over 200 people to donate this year and they are well appreciated. To be exact, 224 people donated blood for the 2005-2006 Blood Drives. Thanks goes to Mr. G. Kheen, the blood drive staff, and all who donated. I hope the Blood Drives will be as successful next year as it was this year.

A Night of Safe Trick or Treating

Calumet Warriors Safe Trick or Treat

The night of October 26, 2005 Calumet High School had a night of safe trick or treating. There were many surprises for the children as well as entertainment. Not only was the night successful, but also tons of fun. Not only did we just have the safe trick or treat, but the staff from yearbook decided to make a haunted house for the children. We had many people who came to the haunted house. Children from the elementary schools, Lake Ridge Schools, and even Calumet students came to the haunted

house. Maybe next year we will have another success. Thank you to the community and students for participating in the night of terror.

We Complete the Deck

The Queen of Hearts dance was a great success. It was held by the student senate and the sophomore class. J&K Productions allowed the students to dance the night away while they played all the favorite tunes. In the back there was a table set up for all the students and staff to enjoy refreshments. The theme of the dance was "Queen of Hearts" and let's say that all the students looked like royalty. But this royalty class changed the ways of the dance by having the girls ask the guys to be their date (like a turn a bout dance). After the dance many students helped to clean up. When the night was over the students didn't want the fun to end, so they decided to make plans to hang out afterward. This completed the deal.

Spell Bowl

Above Elizabeth Simons and Angela Steinhubel show off their second place ribbon.

A great year for the Spell Bowl Team came to a climax at Gavitt High School when Calumet earned a second place in the class 2 Division. The Team was led by perfect scorers, Angela Steinhubel and Elizabeth Simons. It was Elizabeth's second perfect score in three years.

Coaches Carol Jones and Proctor Nancy Cobb were proud of the team and enjoyed working with everyone.

The Valparaiso University French department hosted a "Fete du Theatre" and our French Honors students performed a play which they wrote themselves. The play won *Honorable Mention* for originality.

Students involved in the French Club also took field trips to the Lyric Opera a few times during the year. Each of the students enjoyed the experience that came with the learning of the language.

Dodgeball Tournaments

The Second Annual Dodgeball tournament was without a doubt the best so far. The class of '07 dominated in all aspects of the grueling hour long tournament.

-Eddie Rico

The Dodgeball Tournament was the best event of the year. Next year will even be better, so keep coming and we will continue to dish out the hilarious ways in which teachers/students can legally embarrass themselves. -Billy Evans

The Dodgeball Tournament was crazy fun. 0-seven dominated once they hit the floor in their cross country uniforms. I have to say "07" has all the studs in the school. Thanks to everyone who participated and watched.

Winter Formal

The 2005 Winter Formal had a great turnout. The students walked under the beautiful balloon arch as they entered the Winter Wonderland Dance held on December 16, 2005. Elegantly

dressed students danced their winter blues away before welcoming Christmas vacation. Laughter and giggles filled the air as refreshments were served under the starlight. Credit for

Band

The CHS band also performs at ISSMA concerts and loves traveling to places like Cedar Pointe and other amusement parks for their leisure and rewards for playing so well.

On May 5, 2006 the students awaited a night of memories that will never be forgotten. The girls became beautiful princesses and the boys became handsome princes. As the students began to arrive at Wicker Park the fun was just beginning. The students danced the night away with smiles on their faces. "Here's to the Night" was the theme. Gold and ivory filled the room as those were the colors of prom. Many people asked the question "Who would be the next prom King and Queen?" After the results were in, Juan Flores and Casey Davis were named prom king and queen. The dance ended at 11:00 but the fun wasn't over. A gift was yet to come; the students received a photo album and a clock. As the students waited for their limos and fancy cars, they made after prom plans. Here's to the night that will never be forgotten.

The Final Piece

On June 11, 2006 we all came together for a special celebration: Graduation! This is something that we had been waiting for since we first stepped into Calumet as freshmen. Now the time for this has come. As the Calumet Fieldhouse filled with family, friends, and teachers the class of 2006 met in the auditorium for the last time. As we made our grand entrance the silent sounds of the people quickly turned to loud cheers and applause.

Below: Everett Millard walks across the stage to receive his diploma. Congratulations King Everett!!!

Above: Shanaya Hill is all smiles after receiving her diploma. Great job!!!

Thoughts then began running through our heads. We didn't know whether to laugh or to cry. Many of us felt the urge to do both. Yes, graduation is a time to say good-byes but it is also a time to say hello to our future. So as the 2005-2006 school year comes to an end, graduation was the final piece.

We Are Complete

amazing meals. the class allows each student to learn how to put meals together, what has the best nutritional value and what fits with their budgets.

School House Rocks

The Calumet High School Band hosted the first ever *Battle of the Bands* here. There were only five bands competing, *The Follow Through*, *Guns Will Be Fired*, *Wasted Talent*, *Just for Tonight*, and *Just for You*. Each band had at least one student from CHS.

There were approximately

150 students, parents, and friends at this *Battle of the Bands*. They were all amazed at the talent these bands displayed.

The bands were competing for cash prizes and the bragging rights of the best band here! The winning band was *The Follow Through*.

Above: The Follow Through. From left to right, Kirk Brooks, Ryan Davis, James Tucker, and Ryan Coffman won the Battle of the Bands with the majority of the students cheered loud for them.

Hollie Botsko:

My daughter came as a blessing into my life 18 years ago. Her childhood was short-lived when at eight years old her twin siblings Alec and Annie were born. Since that day I have had to ask Hollie to be an older and more mature person than she actually was. In 2003 she became a mother herself and has still shared with all the needs of our household. Hollie has been a babysitter, housekeeper, big sister, mentor and now a mother to her own daughter Madison and has still managed to complete her educational needs. I have been blessed with a wonderful daughter and if there was a way, I would try to do so much more for her to thank her for all she has done, I am very proud of the young woman she has become.
With love, Mom

Rodney Vician:

We congratulate you as you graduate with the class of '06. You are a son any parent would love to have. We are so proud of you and blessed to have you as our son.

Love always,
Mom and Dad
